

Are you  
looking after  
someone?

Carers Week™

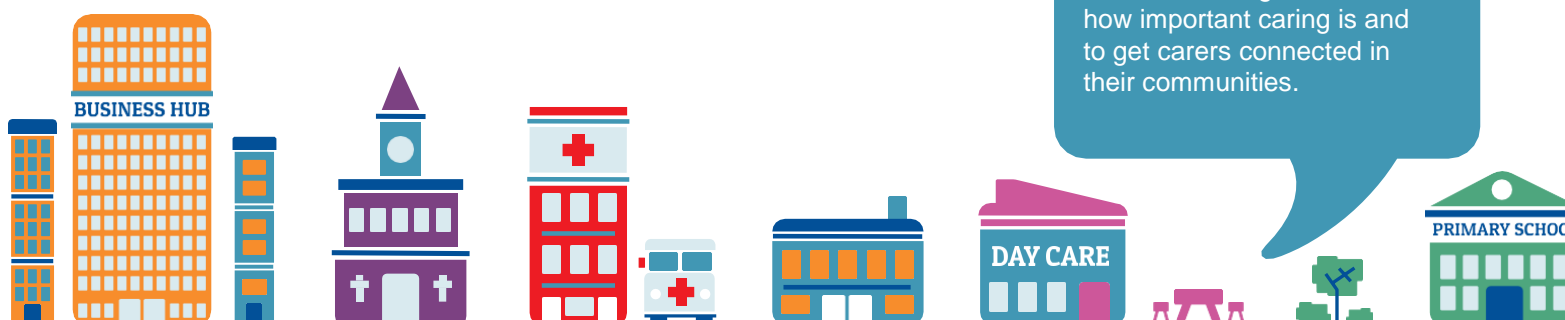

10–16 June 2019

**This Carers Week,  
Greensands Medical Practice is  
reminding all their patients about  
joining our **carers register**.**

Many people look after friends or family who can't manage without them. Knowing you are a carer helps us to offer you the right information, support and access to services.

*If you would like to register as a carer, or would like more information about the support and services available to you, then please speak to reception.*

This Carers Week we're coming together throughout the UK, drawing attention to how important caring is and to get carers connected in their communities.
