

## **Important News!!!**

### **Are you currently pregnant?**

Due to Government changes, midwifery care is going to be offered to you in a slightly different way. You will still receive your care here at Potton, but it may be with another midwife, at a different time. If you are currently booked at **Bedford Hospital** then you will be looked after by DAISY TEAM and your antenatal appointments will need to be between 9-10.30am, on a Tuesday.

If booked at either **Lister, Rosie** or **Hinchinbrooke**, then your appointments will be with the BIGGLESWADE TEAM, and need to be between 10.45-12pm on a Tuesday.

This will be effective from the End of October 2019,

Please telephone 01767 224173 for more information, or you can ask Emma Mostari during clinics.
