

A number of car schemes are available for Greensands Medical Practice patients who would otherwise be unable to get to medical appointments or visit patients in hospitals. This leaflet gives basic details of volunteer and community organised schemes. It also gives information about the Free NHS transport service available to eligible patients and how you could reclaim transport costs incurred for essential visits to hospital.

## 1. Volunteer car schemes and Community transport schemes

**Volunteer car schemes** provide a door-to-door lift for those who would otherwise be unable to get to medical appointments (at surgeries, hospitals, dentists etc.) and visit friends and relatives in hospital. Journeys are provided by voluntary drivers and are booked through a coordinator. Most cars can accommodate foldable wheelchairs but please note that drivers can't act as carers. Please check wheelchair space at the time of booking.

**Community transport schemes** are usually a bit more expensive but tend to have greater availability of drivers (e.g. 80 in the Royston scheme). All the schemes are run slightly differently; this is detailed in the cost section. Please note the times that transport is available for each scheme.

**You are advised to book as far ahead as possible for all schemes - preferably at least 48 hours.**

Bookings for some schemes can only be made during the week but all have answerphones. If your local scheme cannot help at the time, a neighbouring scheme may be able to help you. You may have to pay the cost of the additional distance a vehicle would have to come to reach you.

<b>Volunteer Car Scheme</b>	<b>Phone number and email</b>	<b>Villages served</b>	<b>Cost</b>

available at reception**

**2. Free NHS Non-Emergency Patient Transport**

The NHS will provide free non-emergency transport if you cannot get to and from our hospitals or health appointments to which you have been referred, subject to eligibility, depending on your medical needs, mobility and support needs. Transport is provided by the Private Ambulance Transport Service.  
Phone **0208 045 4254** (24 hours a day, 7 days a week) to check if you are eligible and, if so, to arrange transport. You need to book 2 weeks and 2 working days in advance and be ready to travel at least 2 hours before your appointment.

**3. Help with any transport costs**

You and your carer may be entitled to reclaim your costs for travel to appointments, including parking, on proof of eligibility and of the appointment to which you have been referred. This could be if you or your partner receives low income benefits. Your appointment must be on a separate visit to when the referral was made.  
Phone **0300 330 1343** for the Low Income Scheme helpline and other queries.
